Hospice guides and supports the patient and their loved ones through their final journey inside an inclusive circle of care, sheltering them from an otherwise isolated and lonely journey. We provide *Dignity, Comfort and Peace at the end of life*. We do this in cooperation with local health and human services organizations such as Hudson Headwaters Health Network. In 2009, we cared for 366 patients and their families. Patients and families benefit from our patient-centered team approach, finding peace at the end of their days.
