

# National Healthcare Decisions Day

## Informational Program

Saturday, April 16, 2011

Wadhams Free Library

9:00 AM - Noon

### Do You Have an Advance Directive?

Do you know what healthcare treatments you would and would not want if you could not speak for yourself? Do other people know what your wishes are? Saturday, April 16, 2011 marks the 4th Annual National Healthcare Decision Day, a day for all people regardless of age or current health to be reminded of the importance of making their healthcare wishes known to their loved ones and care providers.

Informational materials and knowledgeable professionals will be available at the Wadhams Free Library to help with your decision making process. Forms available to fill out on the spot or take with you.

Give a gift to your family and  
get peace of mind for yourself.

It's time to put it in writing!
